

Texas Arbor Day Contest

Lunch-n-Learn

★ TREE TRAILS ★

Calling all Teachers!

You could win \$500 to improve your school!

Celebrate Arbor Day 2021 the Texas way! This year's Texas Arbor Day contest uses Tree Trails, a tree mapping application from Texas A&M Forest Service. Empower your students and community to create a Tree Trail and calculate the real dollar benefits that your trees provide.

The Tree Trail your group creates could win you \$500 and some new trees to improve your campus!

Register for a Tree Trails webinar to learn how to use the TEKS-aligned Tree Trails curriculum and get your students and community-engaged and learning in the outdoors.

Webinar Lunch-n-learn Dates

Friday, October 15th 2021 | 12pm-1pm

Friday, October 22th 2021 | 12pm-1pm
