

**ANNUAL REPORT
FISCAL YEAR 2023**

RURAL VOLUNTEER FIRE DEPARTMENT ASSISTANCE PROGRAM

I. OVERVIEW

The Rural Volunteer Fire Department Assistance Program (RVFDAP) was established in 2001 by the 77th Texas Legislature and expanded in 2009 by the 81st Legislature. RVFDAP provides two types of grants: VFD Assistance Grants and TIFMAS Grants. The program is administered by the Texas A&M Forest Service.

VFD Assistance Grants

The VFD Assistance Grants are funded through the Rural Volunteer Fire Department Assistance Fund (Fund 5064), which is composed of revenue derived from an assessment to certain property and casualty insurers. Program procedures are routinely reviewed and updated, and serve as the foundation for all program operations. Periodic reviews and updates have been performed throughout the life of the program to ensure the criteria and procedures remain effective and efficient. The VFD Assistance Grants are cost-share grants provided to volunteer fire departments within the following categories and funding limits:

Category	Grant Funding Limits
Fire Trucks Fire Truck Chassis / Slip-On Units	90% of the actual cost not to exceed assigned maximums
Fire / Rescue Equipment	90% of the actual cost not to exceed assigned maximums
Firefighter Protective Clothing	90% of the actual cost not to exceed assigned maximums
Firefighter Training Tuition Fire Training Aids	100% of the cost of approved courses, subject to assigned maximums
Dry Hydrants	100% of the costs of components, subject to assigned maximum
Catastrophic Loss	90% of the actual cost not to exceed assigned maximums
Declared State of Disaster	100% of the actual cost not to exceed assigned maximums

TIFMAS Grants

The 81st Texas Legislature transferred the \$1,000,000 per year Fire Department Emergency Program from the Texas Commission on Fire Protection to Texas A&M Forest Service for administration under the RVFDAP in January of 2010. These funds are from the Department of Insurance Fund (Fund 036) and are maintained in a separate account within Fund 5064, as required by statute. Program procedures are routinely reviewed and updated, and serve as the foundation for all program operations. Periodic reviews and updates have been performed throughout the life of the program to ensure

the criteria and procedures remain effective and efficient. Fire departments participating in TIFMAS provide a critical surge capacity that cannot be met with out of state resources. TIFMAS grants provide equipment and training to support the participating departments.

II. ACTIVITY

VFD Assistance Grants

In FY 2023, VFD Assistance Grant funds were apportioned by Region at the beginning of the year as follows:

<u>WEST TEXAS</u>	<u>CENTRAL TEXAS</u>	<u>EAST TEXAS</u>
22%	55%	23%

These allocations correspond to the location of the state’s approximately 1,535 volunteer fire departments.

The FY 2023 VFD Assistance Grants budget was \$16,799,313. Program administration costs (including program delivery) are authorized at 7%. For FY 2023, administrative costs were 4.89%. Priority was placed on approving outstanding grant applications for fire trucks. Actual grant funds awarded were distributed as follows:

<u>WEST TEXAS</u>	<u>CENTRAL TEXAS</u>	<u>EAST TEXAS</u>
20.19%	56.33%	23.48%

The agency conducted funding meetings in October, June, and August. The following is a summary of the grant awards by category:

Regular Grant Awards

Category	Number of Grants Awarded	Dollar Value of Grants
Fire Trucks	32	\$ 6,082,337.22
Fire Truck Chassis / Slip-On Units	72	\$ 2,008,156.78
Fire/Rescue Equipment	125	\$ 2,301,812.83
Personal Protective Equipment (PPE)	159	\$ 3,103,257.75
Training Tuition / Aids	2,275 2,155 (4,782 Students) 120 - Aids	\$ 2,953,428.45
Total	2,663	\$ 16,448,993.03

Emergency Grant Awards - Catastrophic Loss

Category	Number of Grants Awarded	Dollar Value of Grants
Trucks	6	\$ 463,182.58
Repairs/Replacement	24	\$ 253,392.67
Total	30	\$ 716,575.25

Emergency Grant Awards - Declared State of Disaster

Category	Number of Grants Awarded	Dollar Value of Grants
Immediate Assistance	93	\$ 422,536.59
Additional Assistance	43	\$ 246,008.16
Repairs/Replacement	27	\$ 344,315.69
Total	163	\$ 1,012,860.44

TIFMAS Grants

The FY 2023 TIFMAS Grants budget was \$1,000,000. Grant funds were apportioned 80% to vehicles and 20% to training tuitions. Vehicle grants were approved and assigned to applicants within two of the eight branches in the state to meet strategic needs. The following is a summary of TIFMAS grant awards by category:

Category	Number of Grants Awarded	Dollar Value of Grants
Fire Trucks	2	\$ 903,126.00
Training Tuition	139 309 - <i>Students</i>	\$ 93,528.92
Total	141	\$ 996,654.92

III. PLANS FOR FY 2024

Spending authority is set at \$21,670,320. for VFD Assistance Grants and \$2,500,000 for TIFMAS Grants. The agency will continue approving outstanding grant applications for VFDs requesting assistance for a second fire truck.

IV. LEGISLATIVE NEED

RVFDAP has been an incredibly successful program since it was initiated. However, with nearly \$275 million in unfunded VFD Assistance Grant requests, much remains to be done. The increased funding received from the 88th Legislature will greatly assist in addressing the

unfunded requests. Also, the increased funding received from the 88th Legislature for TIFMAS Grants will help to strengthen the critical surge capacity that TIFMAS provides to the state.

V. EFFECTIVENESS

RVFDAP continues to be a highly effective program and is recognized nationwide as one of the most successful legislative initiatives to assist fire departments and build capacity in the fire service.

In its twenty-one years of operation, **VFD grants have placed into service over 2,115 fire trucks, provided safety gear and equipment to over 2,700 departments, and helped train over 99,390 firefighters.** Texas A&M Forest Service continues to leverage RVFDAP funds with federal USDA funds to provide VFD grants in an effort to maximize program assistance.

In its thirteen years of operation, **TIFMAS grants have placed into service over 60 fire trucks and helped train approximately 9,940 firefighters.** The grants have made a significant improvement in the state's ability to rapidly mobilize large groups of firefighters and engine teams from unaffected areas to meet critical emergency response needs. Since 2008, **TIFMAS mobilizations have provided 2,158 fire engines and 10,829 firefighters during state-lead emergency response.**

The program and its components continue to be very user friendly and responsive to the needs of Texas communities. It offers a simple and straightforward grant application process that makes it easy for fire departments to apply. The program has experienced overwhelming support and participation from Texas fire departments. As a result, grant application backlogs are forecasted to continue for the foreseeable future.
