

ANNUAL REPORT

FISCAL YEAR 2016

RURAL VOLUNTEER FIRE DEPARTMENT INSURANCE PROGRAM

I. OVERVIEW

Adopted in 2001 by the Seventy-seventh Legislature, House Bill 3667 established the Rural Volunteer Fire Department Insurance Program (program). The program provides grants to rural volunteer fire departments to assist in the purchase of workers' compensation insurance, accidental death, and disability insurance for members of volunteer fire departments. The program is administered by the Texas A&M Forest Service (TFS) and is funded by the Rural Volunteer Fire Department Insurance Fund (Fund 5066), which receives revenue from sales tax collected on fireworks sales. The program has a statutory required advisory committee (committee), an appointed body of private citizens. The committee provides advice, including recommending the annual grant reimbursement rate to be offered based upon forecasted revenue and enrollment figures.

II. ACTIVITY

The FY 2016 expense budget for the program was \$1,465,000 (amount appropriated in the General Appropriations Act). Of this total, \$1,394,090 was allocated to grants and \$70,910 was allocated to administrative costs. The actual revenues received in Fund 5066 during FY 2016 totaled \$1,689,013. The additional revenues enabled the agency to award an additional \$212,597 in grants.

The committee recommended providing a grant reimbursement of \$125 per enrolled member, which the agency adopted. Based upon the increased revenues, the committee recommended a \$25 supplement to the rate, which the agency also adopted. Grant awards reimbursed fire departments for actual insurance coverage purchased for their members, not to exceed the approved rate. TFS launched open enrollment beginning in December 2015 and it remained open through August 31, 2016.

III. STATUS

The program achieved record-high enrollment in fiscal year 2016. The following reimbursement grants were awarded:

<u>Number of Enrolled Fire Departments</u>	<u>Number of Members Covered</u>	<u>Grant Funds Allocated</u>
612	14,798	\$1,606,687

The attached summary presents the individual disposition of grant funds awarded in FY 2016.

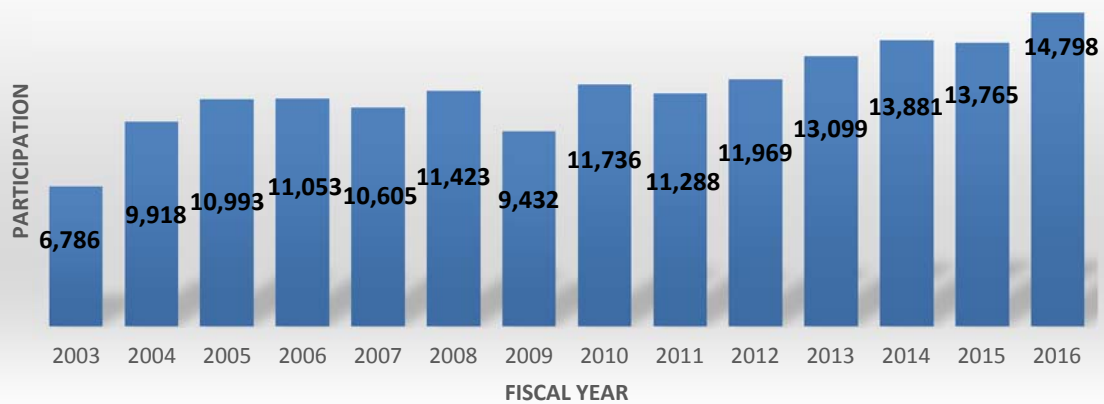

IV. PLANS FOR FY 2017

The expense budget for the program grant is \$1,544,090. The committee has again recommended that the reimbursement rate for FY 2017 be set at \$125 per enrollee. Open enrollment is scheduled to begin November 1, 2016 and end July 31, 2017. Offering of a supplemental grant fund award will be determined in August 2017.

V. EFFECTIVENESS

This is a highly effective program. Enrollment increased 7.5% from 13,765 members in FY 2015 to 14,798 members in FY 2016. Approximately 60% of VFD grant recipients were reimbursed 100% of their cost of insurance coverage for their members under this program. TFS sustains the effectiveness of the program through the use of and commitment to a user-friendly application and efficient processing procedures.

Enrollment History

Fiscal Year	Maximum Grant Reimbursement Rate Per Member of Fire Department
2003	\$ 80.00
2004	\$ 70.00
2005	\$ 70.00
