West Lake Limestone receives training aid grant through Texas A&M Forest Service

THORNTON, Texas — West Lake Limestone Volunteer Fire Department received a grant through the Texas A&M Forest Service Rural Volunteer Fire Department Assistance Program to purchase training aids. The \$10,000 grant aided in the purchase of an Intelligent Training System Base Unit and controller.

The equipment will be used to provide live fire training to members of the department. It will also allow the department to run fire extinguishing training seminars for the community.

West Lake Limestone Volunteer Fire Department would like to thank the Texas A&M Forest Service and the Lions Club for helping the department receive the grant.

West Lake Limestone Volunteer Fire Department is consistently recruiting new members. Interested parties can call (254) 729-0165 for more information.

As a member agency of the Texas A&M University System, Texas A&M Forest Service administers the Rural Volunteer Fire Department Assistance Program and is committed to protecting lives, property and natural resources. The Rural Volunteer Fire Department Assistance Program is funded by the Texas Legislature and provides cost-share funding to rural volunteer fire departments for the acquisition of firefighting vehicles, fire and rescue equipment, protective clothing, dry hydrants, computer systems and firefighter training.
